One of the worlds' leading ROLEX collectors and fine watch buyer is in Edmonton for 3 days only

After visiting most major cities in Europe and many cities around the world I look forward to welcoming the people of Edmonton to my event at the Edmonton Fairmont Hotel MacDonald, 10065 100th Street, Edmonton, Alberta T5J 0N6.

That old Rolex or other make that is listed in the advert opposite, that you either don't wear or maybe had lying in a drawer for many years or that special item of jewellery by Cartier, Tiffany or antique diamond ring may be worth more than you think. I particularly wish to purchase old cut solitaire diamonds 1ct and upwards and signed pieces before 1970.

Please don't miss out on this opportunity to sell your items to a long established and renowned expert & connoisseur of fine watches, especially Rolex and old quality jewellery. Your time may never have been so precious!

*On a recent trip to Canada I paid \$5000 for the broken 1970s Rolex Oyster Seadweller (left) and \$7,000 for the old Rolex Explorer (right)*

**If your item is listed in this ad just call in anytime (times listed). Under special circumstances appointments can be arranged outside working hours.**
